PRODUCT SPECIFICATION

Series 8835

8835

**COMPACT, POP-OUT
VENDING T-HANDLE**

OVERVIEW

Surface-mounted, short-length T-Handle

This smart, compact pop-out T-Handle comes factory fitted with a choice of two Locking Inserts - our Series 28 or Series 2 Locking Inserts offering over 500,000 key combinations. The 8835 T-Handle is ideal for vending machines and other applications requiring a short, low profile hardware solution.

Product features

- o Slim front profile for flush fitting and attractive appearance
- o Acceptable inserts: **Series 28 and Series 2 Locking Inserts**
- o Concealed locking bolt
